ABOUT US

Established in 2021, Abhilasha Impex has grown from a manufacturer of Areca Palm Leaf Plates to a comprehensive sustainability-focused enterprise. In 2022, we expanded to merchant exporting Sugarcane Bagasse Tableware, and later in the same year, we added Wooden Cutlery and Kraft Paper Products to our portfolio.

Committed to providing top-quality, eco-friendly solutions, we're dedicated to a greener future. Join us in making a positive impact on the planet—one sustainable product at a time.

MISSION

We aim to expand our reach in the Sustainable Food Packaging supply worldwide, to have started dealing in 10+ countries by 2025.

We aim to establish our presence in the Local Market for all kinds of Sustainable Food Packaging products by 2025.

We aim to establish our distribution channel for Nikita Disposable House by 2024.

We aim to establish our Import-Export company with a diversified portfolio by 2024.

VISION

To be a global leader in sustainable packaging solutions, empowering businesses worldwide to make eco-conscious choices. We envision a future where every product we create leaves a minimal environmental footprint, fostering a world where sustainability and innovation go hand in hand.
